St. Joseph's wins X-country

By GRANT EDWARDS

Greg Stremmel of Gateway turned in the fastest time and St. Joseph's of Metuchen the top team effort at the 54th annual NJSSAA cross-country championships yesterday at Garret Mountain, West Paterson.

Stremmel toured the hilly three-mile course in the record time of 15:06.7 as he won the Group 2 race by 60 yards from South Jersey rival Ed Blakely of Haddon Township.

St. Joseph's, plagued by injuries and bad luck all season, finally put things together for its first state cross-country title in a 62-73 victory over favored Bergen Catholic in the Parochial A division.

Upsets abounded in the team competition, while the individual races ran very much to form. Four other schools won their first title ever: Park Ridge in Group 1, Hawthorne in Group 2, Pasack Valley in Group 3 and St. John Vianney of Holmdel in Parochial B.

Each of the winning teams, as well as the first five individuals in each race qualified for Wednesday's all-group championship at Bridgewater-Raritan West High School.
