

N. HUNTERDON HARRIERS TRIUMPH

Red Bank C. girls roll

It was the same old story at the South Jersey sectionals of the NJSIAA girls' cross-country championships yesterday morning at Pennsauken High School.

Red Bank Catholic, defending state champion, walked off with team honors, while Hilary Noden of Hopewell Valley, who has never lost a high school foot race to another girl, took the individual title in a course record of 11:26.2.

In the northern division at Garret Mountain, West Paterson, it was North Hunterdon in a close team finish with Saddle

Brook, 106-114, and Maro Bchakjian of Clifton, who won the race by 70 yards in 11:47.1.

Red Bank Catholic had a 51-141 margin on Brick as it placed four girls among the first 15, led by Susan Frentz in fourth place. Miss Noden broke the course record of 12:07 set earlier this year by Kathy Christman of Rancocas Valley, who was second yesterday.

Maggie Poynter led North Hunterdon to its title, placing fifth, with teammate Heather Pullen 13th.
