

# Morris C, Westfield repeat in X-country

By GRANT EDWARDS

It was the same old story as Westfield, Morris Catholic, Bernards, St. Augustine's and Morris Hills all repeated as NISAA group cross country champ yesterday in Holmdel.

Westfield came through with a mild upset as it bested the state's top-ranked team, Memorial of West New York, 74-96, for the Group 4 title. Morris Catholic swept its fourth consecutive Parochial B crown. Bernards won Group 2 in its first try, after dominating Group 1 for the past dozen years, and St. Augustine's and Morris Hills made it two in a row in Parochial C and Group 3, respectively.

In other races, Bergen Catholic took its first Parochial A title in seven years, 36-67, from defending Christian Brothers, and Chatham Township won its first state crown in Group 1, 79-101, from Kinnelon.

The Westfield victory marked the second time in as many years that Walt Clarkson has brought his team back from an early dual meet disaster against Memorial to win the state group crown. Last year, Westfield went on to take all group honors as well. Estepio Gonzalez of Memorial led the strong Group 4 field home in 15:21, the day's fastest time, defeating Barney Costello of Hunterdon Central by 40 yards. Colin Kerwin was the first Westfield runner over the line in sixth place at 15:55, followed by Dave Miller in ninth, Tim O'Brien in 15th and Mike Bailey in 20th, all before the next Memorial runner, Lenny Hernandez, came over in 23d place.

Morris Catholic had its usual breeze in Parochial B taking five of the first six places, with Fred Dwyer Jr. winning the race in 15:52.0. This comes just 29 years after his fa-

ther, now coach of Manhattan College, took the single division Parochial race for Seton Hall Prep.

Bergen Catholic was equally impressive taking the Parochial A title with Bill Leonard beating teammate Vinnie Deuschle by 100 yards in 15:34. John Malone was seventh for the winners, Quentin Franklin 11th and Mike Collins 15th.

Bernards, which had won nine Group 1 titles in 12 years, had no trouble moving up to Group 2 with a 58-92 margin over Dover. Coach Ed Mather had three of his boys in the top 10 with Charles Logan fifth in 15:57, John Sullivan seventh and Peter Carroll ninth.

The individual race here produced a surprise when Dave Thomson of Dover led home Mike Mantini of Gateway by 60 yards in 15:41.1. Mantini, twice went off the course

in the hills and had been co-favored with Scott Sarnoski of Bergen Tech, who placed fourth. This was the first loss of the season for Sarnoski, who had suffered a bad bone bruise in training at Holmdel during the week and then threw a shoe while leading at the two-mile mark.
