

# Clark wins fourth but Columbia falls

By GRANT EDWARDS

Ann Gladue of Bayley-Ellard, Theresa Gschwind of Summit, Joetta Clark of Columbia, Lisa Pakutka of Hopatcong and the strong teams from Hunterdon Central and Bernards featured action yesterday in the school sectional cross-country championships at four sites about the state.

Rain fell on most of the 16 races in which 80 teams and 160 individuals qualified for four group championships next Saturday at Holmdel Park.

Miss Gladue, the defending all-group champion, took it easy in her Group 1 race in the North Jersey, Section 2 meet at Warinanco Park, her time being almost a minute slower than Miss Gschwind turned in to win the Group 3 race.

Hunterdon Central, the state's top-ranked team, and Bernards, the No. 2 club, had no trouble winning their Central Jersey races at Buccleuch Park, New Brunswick. Nor did Toms River North, the defending all-group champion, which took the South Jersey, Group 4 race at Pennsauken.

Morris County teams again scored a sweep of the North Jersey, Section 2 meet at Warinanco, winning all four races, the only county to turn that trick at the four separate meets.

## NORTH JERSEY, SECTION 2

Joetta Clark of Columbia made it in a row as she won the Group 4 race at Warinanco Park in 19:30, beating Judy Wein of Morristown by 250 yards.

But Morristown had too much balance as it finished with 40 points to retain its title against Plainfield, which tallied 5, and Columbia, which finished with 52.

Ann Gladue of Bayley-Ellard repeated in Group 1, coasting to a 60-yard victory over Nancy Schmitt of Kinnelon in
